

The integrated solution

# CASHFLOW® 340 Creditor

With a single build standard for all markets the CashFlow 340 creditor provides unbeatable flexibility.

Simple set up and configuration allows easy game prices and bonus level settings.

The CashFlow 340 Creditor is a 4" validator with integrated credit board developed for video and amusement applications. It is available in either 1 or 4 player versions, and both are available with internal or external credit display.

Helping you deliver.
